FOR INDIVIDUALS

- **Salary Benchmark**
  ONS official range + Adzuna live market side by side. Fairness verdict instantly.
- **Salary Negotiation**
  Generates an evidence-backed negotiation brief with ONS data and talking points.
- **My Salary Tracker**
  Log salary history. Chart personal trajectory vs ONS median — projected to 2026.
- **Salary Trends**
  Real and nominal salary growth 2015–2023 across all occupation groups with CAGR.

FOR ORGANISATIONS

- **Pay Equity Analysis**
  Upload team CSV. Benchmark every role, flag underpaid positions, export compliance report.
- **Gender Pay Gap**
  ONS-formula gap by occupation and region. Supports UK mandatory reporting.
- **Regional Benchmarking**
  Compare pay across all 11 UK regions with live market data alongside ONS figures.
- **Compensation Reviews**
  Validate pay ranges during annual cycles against ONS benchmarks and Adzuna market rates.

ONS OFFICIAL · Annual Survey of Hours and Earnings (ASHE)
UK government's most comprehensive earnings survey. Covers all employed workers.
9 SOC occupation groups · 11 UK regions · 2015–2023 history · Open Government Licence v3.0

LIVE MARKET · Adzuna Job Listings API
250,000+ UK job listings indexed daily. Salary ranges from postings with disclosed pay. Updated daily.

PARTNERSHIP OPPORTUNITIES

Recruitment Agencies	Job Platforms	HR Software / ATS	Individuals / Direct Users
Embed a white-label salary benchmark in your candidate portal.	Add salary transparency to listings via API — Reed, Indeed, LinkedIn.	Integrate our benchmark API into your compensation module.	Free, authoritative salary intelligence for UK workers.
